day, we intend to condense for their infor- her so terribly. ation the last slave case. It occurred in Boston, where they would rather steal a pigger than hear a sermon, and she following are the facts and the result.

Louis Sweet, wife and two children. Nashville, Tenn., had been travelling in when proceedings are instituted; and that rectors in many places promised to accomthe north and in Canada for several months past, with a female slave, and for six weeks had been stopping at Lawrence with his father. After they had been in Lawrence a short time the story was circulated that the woman "Betty" was restrained of her liberty, and various efforts were made to be, by virtue of such voluntary bringing, have commenced and the others soon will. induce her to leave her master. This she ducliued doing, until at the instance of Lucy S. Schuyler, of Lawrence, a writ of habeas corpus, the owner has no traversing the hills and valleys of our whole Lucy S. Schuyler, of Lawrence, a writ of habeas corpus was issued, returnable before the supreme court.

The bearing came on before Chief Jusnice Shaw, in the sheriff's room, J. A. Andrews appearing for the petitioner, and B. F. Watson, of Lawrence, for respond-

The writ set forth that a colored woman named Betty, is restrained of her liberty at No. 1 Atlantic Corporation in Lawrence by one Sullivan Sweet and his wife, and commanded that said Betty shall be brought before the supreme judicial court or one of Bartlett, deputy sheriff of the county of

examination. He then stated that Mr. expressing any desire that such a thing should be done. She did not voluntarily express her desire to be free, nor did she resist. Under these circumstances he was instructed that if an arrangement could be made by which Betty could have her choice to remain with the respondents or to leave them, his clients were willing to abide the result. They had no disposition to re strain her against her consent.

Mr. Andrew assented to the proposition. upon which the court remarked that several cases of the kind had been determined in that manner to the satisfaction of all parties. In such cases the record was made up is accordance with the facts that the claimants had consented that the person claimed should exercise her free will in the matter, and that she had voluntarily chosen to remain with her claimants, or to teave them, as the case might be.

practice in such cases, took the girl into his own room to ascertain her wishes in airs of Ireland. We are an admirer of addressed a letter to castern Sunday-school the matter. On their return, he stated that on a free, full and satisfactory priva'e conversation with her, he had found her to be fully competent to make her own election. She said she was strongly attached to Mr. and Mrs. Sweet and had no heaits. to Mr. and Mrs. Sweet, and had no hesita-tion in expressing her wish to remain with our memories, the beauties of her melodies, that the great mass of the people, from all living in Tennessee, from whom she was by the greatest living poet, Tom Moore. not willing, upon any consideration, to be mot willing, upon any consideration, to be separated, as she would be if she remained in Massachusetts. Now it was contrary ever be forgotten. His Country and her learning and orderly class of citizens, living as quietly and harmoniously together as in other portions of the land. Having recently settled in one of the finest to all the principles of freedom, which we daughters, are the theme of almost every they wish to enjoy it." so much love, to say that this or any per- song; and till patriotism dies, and human son should not exercise a free choice. In recording the proceedings of the day, he Ladies, must be, and will be, dressed in the a card in the Philadelphia papers, denying should certify that this person was brought language of Moore. before him on a writ of habeas corpusthat she was not a fugitive from labor in the sense of the constitution. He should will be strongly urged to prohibit the plan certify the agreement which had been circulation of bank notes less than ten made between the parties, These facts dollars. Some very prominent gentlemen would be entered on record, so that one, are in favor of carrying the limit up to \$25, ton, or twenty years hence, when most of so that paper as currency shall not interfere those present had passed away, the party with the free cisculation of even the highest most interested might have the benefit of denomination of coin. There is much that record. He thought it would entitle reason in favor of \$25 notes as the lowest her to her liberty in Tennessee, for the denomination of bank bills. rate was that slavery was local and liberty general. The act was, he thought, in effeet an emancipation. He had told her the murder of J. Cleaver Bartholomew. without deciding the question of the effect Chester, resulted in a verdict of man-gatherings, and it is to be hoped that no Pennsylvania Railroad Company in place that he knew it was so in Louisians, but before the Chester county Courts at West of this proceeding in Tennessee, she had slaughter. preferred to go with the claimants. He believed that all persons understood their rights, and that no one would interfere. It candidate for Assembly from the Newhad been decided in a similar case brought buryport district, Massachusetts, has been before Judge Dewey, at Springfield, some years since, that a party in whose behalf a writ of habeas corpus was procured, against his will, could maintain an action against Williamsport, as its editor, we notice, the person procuring the writ. No person retires from the concern with the last could now interfere in this case without

incurring the liability.

brought his slave within the limits of a Letter from the County Superfree State, and in that case, under the principle roled in Dred Scott, the girl Betty was free. Free notwithstanding the menductions assertions of the Black Republican having travelled through every township presses and orators, that that decision and examined the Teachers in all with one brought slavery to our very doors .- Free exception where the notice had not been to go where she pleased—free to throw received in time. In nearly every township herself upon the tender mercies of the the examination was conducted in the New England abolitionists-free to make presence of a portion of the Board of Di-The Last Shriek.

her election as to her place of future resistance of a portion of the board of ers posted on the domestic news of the the heartless crowd there assembled, galled and Teachers that there will be an increased

She was free, because it is expressly Schoels. In almost every district I redecided by the court; that the question of ceived marked attentions of kindness and freedom or slavery, is to be decided by the hospitality, and had repeated intimations State Courts, according to the laws of the that in visiting the schools I would ever be State in which the slave may happen to be, a welcome visitor among them. The Dithe court had no jurisdiction to revise the pany me to the schools, and I fondly trust Judgment of a State Court upon its own that such a spirit of emulation will be laws. So, as the Constitution of the Uni- excited among Teachers and others interted States provides only for the case of a ested in improving the condition of our "fugitive;" a slave voluntarily brought schools, as will be felt and appreciated by within the boundaries of a free State, would the whole community. Some of the schools free; and if he escapes, or is set free on a I am preparing for a winter's siege in labor," then the Constitution of the United feel an interest in promoting the prosperity States, superior to any mero State author- of our schools. ity, and by virtue of e special provision on

that point, remands the slave to his master. If a few more such cases occur, we think the people who have so long been deceived by the clap trap of the republicans, on the Dred Scott case, will begin to see the point and acknowledge Its soundness.

Specie.

During the month of October, the total amount of specie which arrived at New the justices thereof, and that the said Sweet York, New Orleans, and St. Louis was and wife be summoned to appear and show \$7,451,000. To this sum, says the New course if any they have, why the said Betty York Herald, should be added certificates should be restrained of her liberty. The of deposit received by the Persia to the return on the writ was signed by Bailey amount of over a million of dollars, which certificates are as good as, and in a more he had a suggestion to make which would means of them. Out of these monthly cash tralises the miasma in which that disease probably obviate the necessity of a long recipts of seven and a half millions of originates. He says that an acre of sundollars, we have not actually sent out of flowers will absorb during their growth ples. - Norristonon Register. and Mrs. Sweet had been for some time the country more than a mere trifle-say many thousand gallons of water more than travelling in the north, and that the girl two or three hundred thousand dollars so supplied by the rains. They are of very was aware of the fact that she was entitled that the first of November sees it richer by easy cultivation, and the seeds meet with to her liberty, and might leave them at at least seven millions of dollars in specie a ready sale. The theory or science of the any moment, being under no restraint. than we were on the first of October .- practice is this: The agree and fever poison More than this, she had not desired to This may seem extraordinary in view of is set free during the progress of vegetable leave Mr. and Mrs. Sweet, and the writ of the depression in trade, but the fact is decay, which poison is absorbed by the habear corpus was brought without her nevertheless so. Though times are hard rank growing sunflower, again elaborated specie is plenty.

> No class of men have been mor ffected by the financial troubles, than the iquor dealers and restaurant keepers in noted individual, Mr. Gardiner Forniss, our large cities. It seems men can govern has commenced suits for damages for alleged libets against James Gordon Bennett, Henry J. Raymond, E. B. Wesley, and George Jones, and William C. Bryant, John Broadway are about to be closed, the receipts being daily considerably less than the New York Times, and the New York Executing Post. the expenses. One saloon near the St. Nicholas hotel, which averaged \$100 per of Mrs. Woodman, dated September 1. day in its receipts, does not now take in 85, and is advertised for sale. This fact proves that the gentlemen can and will retrench and that they have abandoned habits that are at all times and under any circumstances, expensive and parnicious.—

Bell, Buckslew and Schell.

The next State Senate, will be one of the ablest bodies that has over met in the Senate chamber at Harrisburg. We are glad to record the election of Hen. Thomas S. Bell, of the Chester District; Hon. Charles R. Buckalew of the Columbia District, and of Hen. William P. Schell, of the Bedford and Somerset District. They are able men, and just the men for the position to which they have been elected, and who, which they have been elected, and who, which they have been elected, and who, with the venerable Wilkins, Welsh, Walton, Wright, Brewer, Knox, and others will form a body that has rarely been equalled in the past history of the State. Judge Bell has always been a favorite in this has never been a casedidate for any position that he has not received a portion, at least, of the votes of "old Montgomery" when it was in her power to give them, Hen. Charles R. Buckalew was the talented Chairman of the Dougeauth Chairman C Chairman of the Democratic State Central Committee during the campaign through which we have just passed. How well and how able he managed it, the brilliant success achieved on the second Tuesday of October last, fully manifests. He is an able and logical debater, and one of the ablest men in the State, and who is destined without doubt to fill higher stations.

Hon. William P. Schell, has won a great victory, as the odds were largely against him, the district being, composed of Bedford, Sumerset and Hantingdon counties, a at 1 o'clock P. M., the Showing Rest Estate, to: district that no democrat would hardly have dreamed of carrying. The fact that Mr. Schell did carry the district speaks all Recoived, That during the suspension of that need be told. He is one of the rising Specie payments, by the Banks of this men of the State, and a man of the right Commonwealth, we deem it inexpedient to stamp. He is a Bedford County man—a that need be told. He is one of the rising we expect to see at no very distant period, Governor of the State, and we record his L. A. Mackey, Pres't. Lock Haven B'k. election with peculiar gratification. While J. A. Gamble, Pres't. Jersey Shore B'k. a member of the Legislature, a few years ago, he was Speaker of the House, and he would make an able Speaker of the Senate. Buckslew, and Scheil, reflects the highest honor upon their constituents, and we may expect legislation based upon sound princi-

### Danville Beneficial Society.

At a meeting held Oct. 30th, 1857,in the council room of the Beneficial Society on the occasion of the death of V. Best, the following persons were appointed a committee to draft resolutions to be presented to the family of the deceased, expressive of the sympathy of this society, of which he was a member :

Whereas, It has again pleased Provi-dence, in his divine wisdom, to remove by death another of our respected and beloved members :- Valentine Eest.

Resolved, That while we deeply feel his loss to us as a society, and to this community as individual member of the same, we cannot refrain from expressing our natural eelings at his absence from our social midst, at the same time that we would be resigned to the decrees of that wise and merciful Creator who doeth all things best. Feeling that, in the death of our brother member, our temporal loss is his eternal gain may we, from his past history, take as an example, by living temperately, honestly, honorably commanding the universal After having arranged his earthly habitation, he resigned himself into the kee of that God in whom he had trusted, who alone is able to support us in our last Repurchased for sic thousand deliers, with several hundred other works of Art, in Paintings.
